CUSTOMER COMMENTS

"Our company is about to get out of the gates running and collectively we attribute much of our success and ability to operate, get together and collaborate to Roam Atlanta. We are clearly weeks ahead of where we would be as a

company had it not been for Roam. Your team always exceeds expectations and is a pleasure to work with. They are always looking for ways to improve our experience and all understand why each of your customers are here - collaboration and interaction within an open environment."

- Bob Zaloga, NextKey Solutions

"roam has been integral to the success of our business. Through a roam open coffee event, we were introduced to the ATDC, who turned out to be a tremendous catalyst for us. roam enables us to keep our meeting costs low, while also leveraging their rich networking environment, which led to new partnerships and client opportunities."

- Jay Foreman, Toomah

"At roam, you have the luxury of knowing what to expect when you're there. When I try to have meetings in a Starbucks, I never know what the experience is going to be like. Between soccer mom's, the screeching espresso machine, and over caffeinated teenagers, it's a hostile work environment. When I come to roam, I get Ritz Carlton treatment, and an environment where I can be professional with my clients"

- Chuck Russell, Best Work Data

"the real value in roam is when you get to know other members. I have signed 4 new contracts for my business by getting to know other roam members, and being introduced to their business contacts. Roam gives you high value networking opportunities unlike anything I have ever experienced before."
